Dear Parents,

Greeting for Happy New Year:2021 along with best wishes for Mid-Term Examination!!!

Thank you very much for your continue support for conducting online classes in this COVID-19 Pandemic, our Teachers and students have to be remain at home to prevent its spread in the community. It's great support from you for engaging our own children in learning with the help of multiple alternative way of learning at home through interesting activities. It is necessary because in the present environment of stress we have to not only keep our children busy but also to maintain continuity of Learning and Assessment in the present grade in the running academic year. Kindly prepare your son/daughter for the upcoming Mid-Term Examination-2021 by providing best atmosphere at home to make them strong in all the subjects as per Examination Guidelines of the CBSE Board, New Delhi and develop skills Knowledge, Understanding, application skills, Higher order Thinking Skills, Analysing skill, Creative Skill. Please prepare your ward for as per the following schedule. Kindly make sure that your ward is studying independently minimum 3 to 4 hours at home and preparing for the examination as per the syllabus given to your ward by the teachers.

Speaking Skill, Listening Skill, Reading Skill, Poem Recitation, Creative Writing and Elocution test for English and 2<sup>nd</sup> Languages and Practical and Activity based Life Skills project work, Viva-Voce and story Telling test would be conducted during regular online classes as per the guideline of the CBSE.

We know that during the examination, children have some stress and anxiety about it. They are working hard for the upcoming Mid-Term Examination as per the syllabus given to them. You are required to take care of their health and they must focus on their study as per the "My Day Planner" given to you and improve their performance in the Mid Term Examination and in the Annual Examination to be conducted in the month of March-2021.

Let us work together and create a new Academic way of learning and Assessment atmosphere at home by conducting online Mid-Term Examination for Academic Year:2020-21. Kindly take care of the health of your ward during the examination. They should take proper sleep also in night. Motivate your ward and avoid giving them pressure.
